

RESERVA ESPECIAL
LA MISIÓN

CHARDONNAY

100% Chardonnay

D.O MAIPO VALLEY-ANDES, CHILE
2017

Chardonnay La Misión is a single vineyard wine hailing from the Alto Maipo Valley in the foothills of the Andes. The Vineyard -Punta Almendro- is located at Almost 1,000 meters above sea level. The clone was imported direct from William Fèvre Burgundy when the joint venture began twenty years ago. The vineyard yield is 1.9 kg. per plant or 7,500 kg/ha.

Winemaking note

Once the grapes from the Chardonnay vines were harvested, they were pressed very gently. Then it was fermented in stainless steel tanks for ten to fifteen days at 16 to 18°C. Some lees were present in the tanks, but there was little battonage type work stirring the lees in this wine.

Tasting Note

The nose is minerally with pears and key lime. In the mouth it is fresh with lemon sherbet, honey, a hint of saltiness with a round medium length finish. It has a certain touch of creaminess but is anything but buttery.

Technical information

- **Harvest date:** 2017
- **Production:** 26,625 bottles
- **Alcohol degree:** 13.8% Vol.
- **Residual sugars:** 1.70 g/l
- **pH:** 3.53
- **Total acidity:** 3.77 g/l
