

LA MISIÒN DE PIRQUE

SAUVIGNON BLANC

100% Chardonnay

D.O. CENTRAL VALLEY, CHILE

2019

This light, refreshing, citrusy and enjoyable Sauvignon Blanc come from selected vines in Central Valley, like Casablanca and Maipo Valley...freshness from the sea and the mountains.

Winemaking note

This Sauvignon Blanc is fermented a little bit turbid to obtain a deeper mouth. Alcoholic fermentation is made at not so low temperature as usual in this variety so that primary aromas prevail and last in time. This fermentation is produced with selected yeasts and then the wine evolved in stainless steel tanks to obtain a pure and crispy wine.

Tasting Note

Filled with delicious passionfruit aromas, the wine is fruity and simply enjoyable. Full of freshness, it is ideal to maridate with any seafood.
